## Connecting Healthcare Organizations with World-Class Registered Nurses and Licensed Practical Nurses

Our seasoned recruitment and delivery teams provide access to a comprehensive network of highly qualified and specialized RNs and LPNs who work across various settings, providing high-quality care to your patients.

### PROVIDING SPECIALIZED RNs AND LPNs FOR YOUR ORGANIZATION'S LOCUM & DIRECT PLACEMENT NEEDS

With decades of healthcare and medical experience, our recruiting specialists understand the challenges you're up against. They possess the knowledge – and the talent network – to overcome your most complex nurse practitioner staffing problems in a timely manner.

#### Medical Surgery (MS, MedSurg)

Medical Surgery nurses provide essential care to patients with diverse medical and surgical conditions, contributing to their recovery, well-being, and overall health management. Our MedSurg registered nurses stand out as the best in their field, possessing exceptional skills, extensive experience, and a commitment to delivering high-quality care.

#### Psychiatric

Psychiatric registered nurses work in various settings, such as in psychiatric hospitals, mental health clinics, community health centers, correctional facilities, or home care settings. Our highly-skilled psychiatric registered nurses are the best choice for providing mental health care due to their specialized training, expertise in assessment and treatment, and their ability to create a safe and supportive environment for patients.

#### Locum

Whether you're facing a deficit in personnel or require assistance during busy peak periods, we are fully prepared to offer locum tenens registered nurses who effortlessly assimilate into your current workforce to address your immediate and enduring requirements. We also manage all the operational intricacies, from assessment to adherence, and beyond.
