Fill Key Roles Faster With Judge Direct Placement

Find the right fit, right now

What if finding your next full-time employee was as easy as making a phone call? What if you could tap into a pool of over 8 million vetted, high-caliber professionals tailored to your industry? With Judge Direct Placement, these “what ifs” become your new reality.

Leveraging over 55 years of recruiting experience, our industry-dedicated recruiters use a proprietary, AI-powered applicant tracking system (ATS) to identify the ideal candidates for your needs. Let us transform your hiring process from a challenge into a strategic advantage, combining time-tested expertise with advanced technology to deliver unparalleled results.

HOW WE DELIVER SUCCESS

- **In-Depth Candidate Screening:** We meticulously assess skills, experience, and cultural fit to shortlist only the most qualified full-time candidates.
- **Large Candidate Network:** Our extensive database and proven sourcing strategies access both active and passive talent pools.
- **Streamlined Hiring Process:** Minimize your time spent on interviewing, onboarding, paperwork, and other administrative tasks.
- **Focus on Your Business:** We handle the recruitment legwork, freeing you to concentrate on what matters most — running your company.
- **Quick Time-to-Hire:** Our efficient process gets the right contingent, retained, or hybrid talent in the door quickly, reducing disruption.
- **Flexibility:** We can scale our services to meet your business needs, whether you require a single placement or a full team build-out.
